

EXHIBIT 20

Recent publications show liposomal bupivacaine (LB) does not provide an improvement in pain scores up to 72 hours.

Join us for a Live Panel Discussion

Please join us on **Thursday, March 25th at 7:00 PM EDT** for a meeting of the minds: a Live Panel Discussion on Long-Acting Locals versus Pumps and Catheters featuring Anesthesiologists, OB/GYNs and Orthopedics. This live event will feature Drs. Jon Zhou, Brian Vaughan, Anita Somani, and Sridhar Rachala.

Jon Zhou, MD
*Asst. Clinical Professor,
UC Davis Medical Center*

Brian Vaughan, MD
*Director of Acute Pain
Management, University
of Cincinnati West
Chester Medical Campus*

Anita Somani, MD
*Comprehensive
Women's Care, Inc.,
Columbus, Ohio*

Sridhar Rachala, MD
*Asst. Professor of
Orthopaedic Surgery,
University at Buffalo, SUNY*
